HELP US MARKET YOUR COMPANY

In our continuing effort to add value to the operations of our signatory contractors, LECET Southwest, a cooperative effort between the Laborers' Union and our signatory contractors, is seeking to expand the contractor profiles in the signatory contractor database on our website.

The benefit to our signatory contractors, and other database users, is that you will have much more information available to make intelligent choices about the companies with which to do business.

Please Note: The purpose of the database is to make information about our signatory contractors readily available to database users who are looking to link-up with contractors who have signed agreements with the Laborers. The contractor database is located in the "Contractor Database" section on our website (www.lecetsouthwest.org).

You can help us update the information about your company.

Mail / Fax: We have enclosed three forms which you can fill out by hand and then mail or fax to us at:

*LECET Southwest
11135 Trade Center Drive, Suite 100
Rancho Cordova, CA 95670
Fax: (916) 447-1684*

Online: If you are connected to the internet, you may enter your contractor information directly onto our website by executing the following steps:

1. Access the LECET Southwest website at www.lecetsouthwest.org. On the home page, click on the "CONTRACTOR DATABASE" tab at the top of the page.
2. Once you enter the DATABASE section of the website, click on "Add a Contractor".
3. Click on the "Sign In" link in the left hand margin. To sign in, use the following username and password:
User Name: **contractor**
Password: **partner**
4. When you have completed the entire form, click on the "Save" button at the bottom of the form. This will transmit your information directly to LECET Southwest and we will enter the information into the database.

Thank you for providing this information about your company. We believe our contractor database provides a useful service for our contractors and construction users. We hope you will feel the same way, and we appreciate your help in supplying this important information about your company.

If you have any questions, comments or suggestions, you may call us at (916) 447-1874, or email us at info@lecetsouthwest.org.

Contractor Work Categories

Listed below are the types of work listed in the contractor data base of the LECET SOUTHWEST website. Please mark each item which describes the type of work your company performs. If you are a general contractor, please indicate the type of general contractor (for example, engineering) and also the specific types of work that your company performs (excavating, underground utilities, grading etc.).
