

The **LIUNA!** Advantage

Training & Apprenticeship

Well trained labor is the backbone of construction. Long a supplier of the best construction labor, LIUNA is committed to training and apprenticeship that keep pace with the industry. LIUNA has built one of the most diverse and comprehensive networks of education and training funds in the entire construction industry.

LIUNA training funds provide cutting-edge training and apprenticeship programs that help laborers and their employers stay current, competitive and safe.

Training Sites throughout the southwestern United States (and North America) ensure accessibility to the training that laborers and contractors need.

Mobile Training provides unparalleled flexibility and the ability to tailor training to project needs.

Professional Instructors ensure quality and reliability.

Classroom and Hands-on training in a variety of construction skills prepare laborers and their contractors to succeed throughout the entire industry.

Apprenticeship ensures the development of experienced professionals through more than 4,000 hours of on the job training and at least 304 hours of classroom training.

Contractors who work with LIUNA get well-trained, highly skilled laborers plus an organization devoted to developing such a workforce well into the future.

That's the LIUNA Advantage
