

# COMMITMENT TO A SKILLED, SAFE WORKFORCE

LIUNA'S APPRENTICESHIP PROGRAMS are the foundation of our commitment to meeting the needs of LIUNA's signatory contractors for safe, skilled employees. Apprenticeship programs are registered with the U.S. Department of Labor (DOL) and the CA Department of Apprenticeship Standards (DAS), and comply with rigorous standards. These programs provide the training, knowledge and skills necessary for a long-lasting career, and ensure laborers can meet the 21st Century needs of contractors.

The classroom and hands-on training that apprentices and journeyman undergo at California's training centers result in skilled labor that works safely to get the job done right the first time.

**\$25 MILLION**  
INVESTED IN 2017
